INTRODUCTION FROM THE PRESIDENT OF ST IVES PHOTOGRAPHIC CLUB

On behalf of the members of the St Ives Photographic Club, it is my great pleasure to welcome you to *Interprint 2024.* Following our return to the well-loved public exhibition and in-person judging of prints last year, I am very pleased to be back in St Ives again this year for the 42nd consecutive running of this annual competition.

Interprint has inspired and stimulated many of us through the years, encouraging us to reach to new heights of excellence in our photography, and it has rightly gained a reputation for high standards in the East Anglian Region.

As always, I'd like to express my thanks to all the members of SIPC who have assisted with the setup and running of the event, especially the Interprint team lead by Graham Shirra, for all their hard work this year, and once again the Free Church for providing such a great venue.

Twenty-three clubs are participating this year, and we look forward to seeing the prints from their members. Without the support of these clubs the competition would not be the event it has become. We express our gratitude to you for your continued participation.

Welcome and thank you to our Judge this year Erica Oram CPAGB AFIAP BPE3* – you can read more about Erica elsewhere in the programme.

I do hope that you will enjoy not only the competition but also the opportunity to interact with other enthusiastic photographers and visit our beautiful town of St. Ives.

I hope you enjoy the event and may the best club win – Good Luck!

or just come along and introduce yourself!

PHOTOGRAPHY AT

ST IVES PHOTOGRAPHIC CLUB

Now in our 52nd year, the club continues to thrive with new members joining us throughout the season. Our members contribute a diverse range of images to our regular competitions, and increasingly we are seeing a greater range of creativity and artistry, alongside a more traditional approach.

We are an active and friendly club with meetings held from September to April at St Ives Free Church on Tuesday evenings. We meet at 7.30pm for an 8pm start. During the summer we have a programme based mainly outdoors, which last year included nature walks, house and garden visits, photography for wake boarding and cricket clubs, exclusive access to the local Air Ambulance base and more. These outings present a great opportunity to visit new places and work with the local community as well as to take photographs and share knowledge with like-minded people.

Our winter programme is a mix of competitions, talks and practical sessions as well as critique evenings. Talks this season have been on a wide range of subjects, including "Portraiture", "Athletics", "Wildlife" and "Light Painting" as well as talks from our own members on their photographic experiences. We are looking forward to our next talk "Where I photograph wildlife abroad" by Malcolm Hupman on 12th March, this is a much-anticipated return visit from Malcolm.

In November we hold our Annual Exhibition, where members have the opportunity to display their best images. The exhibition is open to the public, who can vote for their favourite image. The event is one of the highlights of our calendar and it is always great to see members of the public enjoying the exhibits and this often results in a surge in our membership.

As a club, we also enter a number of external competitions with local clubs throughout the season.

About This Year's Judge

Erica Oram, CPAGB AFIAP BPE3*

Erica has had a keen interest in photography since the late 1990's, originally working exclusively in colour slides before moving into digital photography relatively late compared to many of her peers. Erica is a member of Sheffield Photographic Society, Gamma Photoforum and the London Salon of Photography. She is also an active camera club lecturer and PAGB judge.

Erica's photography is mostly based around street photography, landscape and details. Erica's approach is generally spontaneous, aiming to make a personal interpretation of 'whatever is in front of her'. She generally tries either to make an image which provokes a question, tells a story, or creates a mood, or to make simple but unusual images which make the most of shapes, lines, colour and light.

St Ives Photographic Club
Programme Details This Season

Highlights for the remaining 2024 season:

March 12th

"Where I photograph wildlife abroad" with Malcolm Hupman

When Malcolm goes on holiday, he always looks for places where he can take wildlife photographs. In part one Malcolm will show us some of the places he found in Europe and the Canary Islands followed by a trip he made to Bulgaria. After the break Malcolm will show us a travelog of a trip to Sri Lanka.

March 19th

"In the footsteps of Darwin - A Galapagos Adventure" with Gary Dean LRPS CPAGB BPE3*

Our very own Gary Dean will be talking to us about his most recent photographic trip to the Galapagos. He'll be discussing the different islands, their geology and of course the unique wildlife.
