

# Monochrome Trophy

**Tuesday 27<sup>th</sup> October 2026**

## Useful Hints & Tips

- Closing Date – 20<sup>th</sup> October 2026
- No of entries – Maximum of 4
- Mounts – see links below
- Printing – see link below
- Print Rules – see 1.1 in rules on the club website

## Reflecting on Bygone Days by Tom Lane

This is the first year that the club will be running the Monochrome Trophy as a stand-alone print only competition.

Monochrome photography captures images using varying tones of a single colour rather than multiple hues. It emphasizes pure lines, textures, contrast & emotion.

As we know member's Tom & Ivan have consistently produced some very impactful prints with Tom winning the Trophy this year.

So why don't we try & fill the print stands in October & make a show.

It's chance to try a new genre. Any well performing prints also have a chance of being chosen for external competitions.
